Good Spirits.

Good spirits don't all come from Kentucky. Their main source is the liver-and all the fine spirits ever made in the Blue Grass State could not remedy a bad liver or the hundred-and one ill effects it produces. You can't have good spirits and a bad liver at the same time. Your liver must be in fine condition if you would feel bouyant, happy and hopeful, bright of eye, light of step, vigorous and successful in your pursuits. You can put your liver in fine condition by using Green's August Flower- the greatest of all medicines for the liver and stomach and a certain cure for dyspepsia or indigestion. It has been a favorite household remedy for over thirty-five years. August Flower will make your liver healthy and active and thus insure you a liberal supply of "good spirits." Farming Very Successful.

By Western or Northwest Canada is asually meant the great agricultural country west of Ontario, and north of Minnesota, North Dakota, and Montana. The department of the interior, Ottawa, Canada, has agents established at different points throughout the United States who will be pleased to forward an Atlas of Western Canada, and give such other information as to railway rate, etc., as may be required.

That agriculture in Western Canada pays is shown by the number of testimonials given by farmers. The following is an extract made from a letter from a farmer near Moose Jaw:

"At the present time I own sixteen hundred acres of land, fifty horses, and a large pasture fenced containing a thousand acres. These horses run out all winter and come in in the spring quite fat. A man with money judiciously expended will make a competence very shortly. I consider in the last six years the increase in the value of my land has netted me forty thousand dol-

WESTERN CANADA'S RE. DOCTORS FALL IN LINE.

Practicing Physicians recognize the unfailing reliability of Doan's Kidney Pills by Prescribing them for Backache, Kidney, Bladder and Urinary Disorders a tribute won by no other Proprietary Medicine. Four cases cized from "Notes of His Practice," by Dr. Leland Williamson, of Yorktown, Ark.

FOSTER-MILBURN Co., Buffalo, N. Y. YORKTOWN, ARK., Mar. 1, 1904. Gentlemen:-I have been engaged in the practice of medicine in this section for ten years. This is a very sickly climate, on the Bayou Bartholomew, near the Arkansas River. It is particularly malarious and miasmatic; we meet with many and various abnormal conditions of the human family, prominent among the cases in which I have been called upon to prescribe is kidney disease. Many of these disorders manifest themselves by pains in the back, often extending to other parts of the chewan, Alberta and Athabask. At body; sometimes headache is present, caused by uræmic or chronic uric acid poisoning, soreness in region of kidneys, cloudy, thickened and foulsmelling urine, discharges of pus or corruption; inflammation of the kidneys, extending to the bladder, is caused by excess of uric acid and decomposition of urine. Hemorrhage is sometimes met with, caused by high state of inflammation or congestion.

There is no class of diseases a doctor is called oftener to treat than the variety of kidney diseases, in many of which the patient will have chills or rigors, followed by fever, a result of the kidneys failing to eliminate the uric acid poison from the system. Such cases require the kidneys restored to their natural functions, then the poison and foreign substances are removed—shock to the nervous system averted, and natural health restored.

I have, for some time, been using Doan's Kidney Pills in these many manifestations and with uniform success, curing most cases. I can further say that even in hopeless cases where they have waited too long, Doan's Kidney Pills afford much relief and prolong life. I can recommend the pills in conditions of excessive or deficient secretion of in winter; hot in summer, but with cool urine, as also in convalescence from swamp-fever and malarial attacks. nights. Violent storms of any kind are as verified by the following cases in my practice.

THOS. ORELL, Bear, Ark., age 60. Pain in back for several weeks, then chills, irregular sometimes, severe rigors, followed by fever. Gave good purgative of calomel and padoph, and Doan's Kidney Pills. After taking four boxes of the pills, patient up and enjoying good health for one of his age.

Mrs. SMITH, Tarry, Ark., age 29, mother of four children. Had female complaint and kidney trouble, manifest by pain in back and urine irregular; ometimes very clear, changing to cloudy, and with much sedim standing in chamber. Gave local treatment for female complaint and pre-scribed Doan's Pills; after using six boxes she regards herself as cured.

Brown Eaks, Wynne, Ark., age 21, had severe case of malarial hæmataria, or swamp fever. Gave necessary liver medicine, calomel and padoph, and morph.-sulph. to relieve pain, and ordered Doan's Pills for the high state of congestion and inflammation of the kidneys. Recovery resulted in two weeks. Prescribed Doan's Kidney Pills, to be continued until the kidneys were thoroughly strengthened and all pain

in back subsided

CASE 3.

ELIJAH ELLIOTT, Tarry, Ark., age 34. Pain in back and legs and headache. Uric-acid poisoning. Prescribed Doan's Kidney Pills. After taking several boxes pain subsided - urine became normal, or natural, and patient able to

These are a few of the typical cases in which I have used Doan's Kidney Pills. In a great many instances I use them alone with curative results, while with some others indicated remedies are associated. I believe that by the judicious use of Doan's Pills many serious

complications are arrested and many hopeless and incurable cases of Bright's disease prevented. I have often found that one box of the pills is all that is required to

effect a cure, but in some cases I continue their use until all symptoms are entirely absent and the cure effectual and permanent.

A free trial of this great Kidney and Bladder Specific can be obtained by addressing Foster-Milburn Co., Buffalo, N. Y. The regular size is 50 cents per box. If not for sale by your druggist or dealer, will be seut by mail, charges prepaid, on receipt of price.

ALABASTINE the Durabale Wall Coating, Won't Rub Off;

Because it cements to, and is not stuck on the wall with decaying, animal glue, as are the various so-called "wall finishes," which are kalsomines sold under fanciful names.

You can apply Alabastine.

ALABASTINE

The Only Sanitary and Permanent Wall Coating

LABASTINE is not a disease-breeding, hot water glue wall finish, furnishing a lodgment and harbor-ground for disease germs; it is a natural, rock-base composition, in white and many exquisitely beautiful tints; in powder form, ready for use by simply mixing with cold water. Anyone can brush it on.

ALASASTINE cements to walls, distroys disease germs and vermin, and never rubs off or scales. Other wall coatings, under fanciful names, and usually mixed with hot water, are unhealthful kalsomines, stuck on the wall with glue, which soon rots, nourishes germs of deadly disease, rubs and scales, spoiling walls, clothing and furniture. When it is necessary to refinish, the old coats must be washed off-an expensive, nasty, disagreeable job, making the rooms damp and unfit to live in.

When walls are once coated with Alabastine, succeeding coats may be applied, year after year, without washing the walls, thus saving great expense and annoyance.

Hot and Cold Water Kalsomines Have No Merit Some dealers try to sell them, buying them cheap, and trying to sell on Alabastine's demand

until such time as their customers learn of the impo THEY ARE WORTHLESS PREPARATIONS If you cannot buy Alabastine of your hardware, paint or drug dealer, refuse all mitations, and write us. We will tell you where you can get Alabastine without delay, or sell it to you direct. \$500.00 GIVEN AWAY. Write for particulars.
